Teddy Perez

Art Director/User Experience Designer
Online portfolio: www.pixeltoybox.com
Phone: 240.256.0681

Summary:

Seeking a position in design leadership with a progressive employer where I can contribute towards the development of new designs and user experiences and work with bright and committed people. With 24 years of experience of designing in the D.C area for clients in both the government and private sector industries, I bring enthusiasm and passion to the table as well as a growing hunger for both teaching and learning from my experiences.

Skills:

I am an exceptional illustrator and I am well versed in the following programs: Adobe Creative Suite, Figma, Sketch, Axure, Autodesk Maya, 3ds Max, Z-Brush, After Effects, and Adobe Premiere. I am also experienced in the following coding languages: HTML, CSS,, JavaScript, XML and a very mild PHP.
